**Wendy Kupsky
Superintendent**

Dear Parents and Guardians,

During the February 12th school board meeting, the decision was made to proceed with the consolidation of our elementary school buildings. This consolidation is a strategic move that will allow us to move forward toward a more consistent and enriched educational experience. While we understand the deep attachment many of you have to Nescopeck Elementary School, please know that this decision was made to enhance educational opportunities for all current and future students within the Berwick Area School District. Consolidating our resources will allow us to provide a more comprehensive learning environment with improved access to educational programs for all students.

We understand that change can be unsettling and we are committed to ensuring a smooth transition for students, families, and staff. In the coming weeks, we will provide additional information to address concerns that you may have and to provide detailed plans for the consolidation process. Our goal is to ensure a seamless and positive experience for all involved. Additionally, our guidance, administration, and student support staff will be available at Nescopeck to address any questions or concerns that students may have over the next few weeks.

We appreciate your understanding and cooperation as we work together to build an even stronger foundation for our children. We believe that by consolidating our efforts, we can create a more comprehensive and vibrant learning community for our children. Your partnership is crucial during this period of transition. Together we can make this consolidation a positive experience for all involved.

Thank you for your ongoing support.

Sincerely,

Wendy Kupsky
Superintendent
