

# Stakeholder Engagement ARP ESSER Funding Allocation

Berwick Area School District  
November 2021

# Funding Overview

The Berwick Area School District is seeking stakeholder engagement to ensure ARP ESSER allocations are properly spent to support student learning during the COVID 19 pandemic. Berwick Area School District has received funding in the form of a 7% Set Aside Consolidated sub grant in the amount of \$506,749.00. This sub grant is a portion of the \$6,519,974.00 ARP ESSER grant. The district encourages all stakeholders to review the proposed spending and share their thoughts and recommendations with the district. All stakeholders are invited to address the Board of Education on 11/8/2021 at 7:00 PM at the Line Street Administration Office, or contact Robert Croop, Director of Curriculum and Instruction, via email at [rcroop@berwicksd.org](mailto:rcroop@berwicksd.org)

For further information, access the PA Dept. of Education webpage [PDE ARP ESSERS](#)
