 - No student-athlete may participate in practices or games until this is signed
- Section 7 must only be filled out if a student-athlete participates in another sport later in the school year
- Section 8 must only be filled out if a “yes” answer is completed on the section 7 form
- Section 9 is for wrestling only and does not need to be filled out

These instructions may also be found when reading each page of the PIAA physical. This form must be completed with no omitted information or signatures. Also, please note that *no other form will be accepted as a physical.*

Release Form

A release form must be signed by parents prior to the beginning of pre-season, giving the school's Athletic Trainer permission to speak to the coaching staff regarding injuries to the student-athlete. This form only needs to be signed once per school year.
