Presentation: Jon Morell – Update on the proposed teacher contract. (Power Point)

Susy Wiegand – We are having some technical difficulties. We are trying to resolve them. It is not intentional. We have about 129 participants and one person on the chat. We would like to have a recess because we would like to have as many people available to attend this meeting. It is a very important meeting. We are going to take a recess until about 7:30 p.m. We apologize for the technical difficulties.

Reconvened 7:30 p.m.

Susy Wiegand – We have had an incredible turnout of people trying to get in and we have not been able to accommodate the public in general so we have decided as a Board to table this meeting and we are going to move this meeting possibly for the following Monday hoping that the schedule works for everybody.

Wendy Kupsky – I just wanted to let the community know that I have posted a community letter and that there is a power point. My intention is to post the new power point. I do think it is essential for our families to start planning based on the proposed plan that our pandemic community was going to present tonight. If there are any questions based on what I post, please feel free to email me or call me or reach out to your building principal or administrator. Emails are great because we can answer at any time. I will be posting that on our website within the next 24 hours.

Susy Wiegand – Meeting adjourned at 7:32 p.m.

Janet K. Kovach, Secretary to the Board
